

The Wind in the Willows by Kenneth Grahame

The classic story of how Rat, Mole, and the other river-bankers saved Toad from his excesses.

This book has it all: excitement, sentiment, destruction of private property (plenty of that), paganism, and a happy ending. The prose is beautiful and occasionally requires the use of a dictionary – I had to look up “asperities.”

Written as a children’s story, *The Wind in the Willows* is enjoyed by many grown-ups who relish Grahame’s ability to evoke the long summer days of childhood.

Read by Adrian Praetzelis. Total running time: 06:55:21
